Dear Parents and Carers

## **Industrial Action – November 30<sup>th</sup> 2011**

As you will have read and seen in the media, a number of public sector unions including the National Union of Teachers, the National Association of Schoolmasters and Union of Women Teachers and the Association of Teachers and Lecturers have called for strike action by their members on the 30<sup>th</sup> November. It has been confirmed to me that staff at Chew Valley who are members of these unions will be taking industrial action on that day.

As a result it will not be possible to provide either a safe or educational environment for pupils on November 30<sup>th</sup> so the school will be closed to pupils. I realise how inconvenient this will be for parents, particularly of younger children and regret the disruption caused. This is a one day action and school will re-open as normal on Thursday December 1<sup>st</sup>.

Yours sincerely,

Mark Mallett  
Headteacher
