Who Will Teach Me?

Bath and North East Somerset Music Service provides the school with a team of peripatetic instrument teachers who visit the school to teach pupils on a weekly basis.

When Will My Lessons Take Place?

Instrumental lessons take place throughout the school day so you will come out of your normal lessons. Lessons rotate from week to week so that the same curriculum is not missed two weeks running. Timetables are displayed on the notice board outside the Music Block; you will need to check this regularly and at least once a week for updates. Lunchtime and twilight sessions are not available for Lower School pupils. Remember that you will have to copy up any work that you miss.

Do I Have To Have My Own Instrument?

Generally yes, however there are some school instruments available for loan (see Music Department to arrange). If you need to purchase an instrument, there is currently a special arrangement between local authority schools and HMRC, which allows parents/carers to choose an instrument, and then purchase it free of VAT through the school. This is only available for pupils taking lessons at school. If you wish to take advantage of this arrangement, please contact the school finance department and ask for an 'Assisted Instrument Purchase' form.

Will there always be a space for me?

We will always do our best but if you do not hand in your form on time it may be difficult to then fit you in. The school has to book tutors up to 6 weeks before the start of the new term.

What If I Miss A Lesson?

If you need to miss a lesson due to an exam or school trip you will be expected to inform the tutor **in advance** to re-arrange a different time. You pay for 10 lessons a term so there should be plenty of time to make up lessons. In all other circumstances lessons will not be refunded or rescheduled. If a teacher cancels a music lesson, it will be re-scheduled to another week. If we are unable to re-schedule this lesson, we will arrange a refund.

Will I Have The Opportunity To Perform With Others?

Yes, there are many extra-curricular activities taking place at lunchtimes which include chamber choir, string ensemble, folk group, orchestra, swing band, guitar group, and various others. When you reach the right standard, you will be expected to join an appropriate group. It's great to be able to work with other musicians and perform in concerts.

Where Can I Store My Instrument During The School Day?

Unfortunately, there is no secure locker space available in the school for pupils' instruments but there is a storage space available in the Music Block. Instruments are not covered by the schools insurance so your parent/carer should check that their household insurance provides protection.

How Will My Parent/ Carer Know What Progress I'm Making?

Some tutors provide a Music Homework diary to record what you need to practice for the next week. Your teacher can also communicate with your carer in your diary regarding sheet music and books that you may need to purchase and also about exams that you may wish to take. All tutors provide the student with an annual report.

How Much Do Lessons Cost?

The Musical Instrument Tuition charge is for 10 lessons per term (3 terms per year) at a cost of: £160
Half hour group (max 3 pupils) or individual 15 minute lesson: £90
Half hour individual lessons: £160

How And When Do I Pay?
