YEAR 11 2026

7 Ways That Mocks Are Good For You

by @inner_drive | www.innerdrive.co.uk

1. Motivate you to do revision early
2. Help you identify topics you need to revise
3. Test effective revision strategies
4. You can get used to exam pressure
5. Allow you to practise exam techniques
6. Increase belief that exams are doable
7. Are an opportunity to ask for help
