Dear Parents and Carers

## Parent Focus Group – Monday 23<sup>rd</sup> May 7.30pm

Following on from our previously successful evening where parents and carers came in and talked with senior staff around various aspects of school life, we are intending to run a second event on Monday 23<sup>rd</sup> May at 7.30pm in the Library.

During this evening we would like to cover, amongst other areas, our co-curricular offer of trips, visits and experiences linking in with the 'Chew Valley Guarantee' which is the commitment we look to offer all students as well as the work around the environment that the school is currently involved in.

The group of parents and carers who joined us previously felt that the evening enabled them to ask questions of our senior staff as well as gaining an insight into our school. As a school, it was useful to gain some important feedback on some of the initiatives we are currently working on.

If you would like to attend, please complete [this form](#) advising us of your attendance.

Your sincerely

Mr G Beynon
