

6<sup>th</sup> June 2025

Dear Parents and Carers

### **Y10 Geography Trip to Dorset - Tuesday 3<sup>rd</sup> June**

All of our GCSE Year 10 geographers enjoyed a trip to Dorset to look at coastal geomorphology and the resultant features. We had some lovely comments from the public about their behaviour there which was great to hear.

### **Recent Work with the Community Farm**

The Community Farm is one of our near neighbours in the Chew Valley and an organisation that we work closely with. Students in our Aspire curriculum look at some of the business and marketing perspectives whilst other students visit the location to look at the production of food in an organic and sustainable manner. Recent trips there have been really successful and our thanks go to them for their input. If you are interested in finding out more about their operation, please use the following link <https://www.thecommunityfarm.co.uk/>.

### **Silver Duke of Edinburgh Expedition to Exmoor this weekend**

We have approximately 50 students on Exmoor this weekend carrying out their Silver Duke of Edinburgh Expedition. Best of luck to them all and thank you to the staff who have been working with them.

### **Enrichment Week – Monday 16<sup>th</sup> to Friday 20<sup>th</sup> June**

We are looking forward to our Enrichment Week which is coming up shortly. Staff have been working hard on the programme and all students and families should be aware of what they are doing throughout this period of time. For Year 7 who have not experienced this before, they have the opportunity to camp for one night at school along with a range of activities. Years 8 and 9 have a number of trips away from school as well as an extended programme here. Year 10 are on Work Experience and Year 12 have their 'Futures Week' where they look at their next steps, be it university or apprenticeship applications or stepping into the world of work. Please do ask if you have any questions.

### **Summer Music Concert – Thursday 12<sup>th</sup> June**

Our annual outdoor summer concert takes place at school on Thursday 12<sup>th</sup> June. This is a highlight of our year and for those who attend there is a wide array of talent on show. A big thank you goes to the Music Department for all of their hard work in the preparation and delivery of this evening. Tickets are available directly from the school.

Please do contact us with any questions you might have or visit our website at <https://www.chewvalleyschool.co.uk/> for further information.

With best wishes,

Gareth Beynon  
Headteacher
