Dear Parents and Carers

Year 7 Online Tutor Evening – Tuesday 10th November

The link between tutors and parents and carers is a really important relationship that we like to forge early at Chew Valley School. Very often, your child will remain in this tutor group with the same tutor for the whole of their time with us until Year 11.

In order to ensure you can connect a name with a face, we are hosting an online event to ensure that you have made this connection and shared information.

The event will be held on our Parents' evening platform, SchoolCloud, between 4pm and 5.30pm on Tuesday 10th November. You can book your own 10 minute appointments so that this fits into your schedule. Appointments can be booked via the SchoolCloud software. Please visit https://chewvalley.schoolcloud.co.uk/ to book your appointments. A short guide on how to add appointments can be found here https://vimeo.com/473882995. The booking slots will go live on SchoolCloud at 10am on Monday 2nd November. Please contact Mrs Elsom if you have difficulties booking an appointment delsom@chewvalleyschool.co.uk.

Tutors will be delighted to share how your child has settled: how their attendance, punctuality and behaviour is shaping up in school, including the first attitude report you will have received from us. We expect that you will also have information to hand over to them about how your child is settling into school, their reading habits, as well as clubs and activities they do inside and outside of school.

Yours sincerely

Mrs K Rowlands
Deputy Headteacher

Mr D Henley
Assistant Headteacher
