20th May 2022

Dear Parents and Carers

Ofsted

Three inspectors from OFSTED joined us earlier in the week and spent time visiting lessons, talking to staff, students and governors as part of their visit. My thanks go to all of the parents and carers who took the time to complete the questionnaire. We await the written report which will be sent to all parents and carers and placed on the website when it arrives which we expect will be in a month or so.

Examinations

We have now started our season of formal examinations and students are becoming familiar with sitting in the Sports Hall and other locations. We know how hard both Year 11 and 13 have worked for these examinations and we continue to wish them all the best.

Reminder – Year 7 Parent/Carer Information Evening - Monday 23rd May – 7pm

We are running both an online and in-person session at 7pm on Monday which will cover both forthcoming assessments and our Enrichment Week. If you are attending in person, we will be based in the School Library at the front of the school. To join the online session via Zoom, please use the following details:

Year 7 Parent/Carer Information Evening 7pm

Meeting ID: 792 0461 8959

Passcode: ZdwIHf

Reminder – Parent/Carer Focus Group – 7.30pm

We are running the next session in the series of the parent/carer focus group sessions in the Library at 7.30pm on Monday. Parents and carers who attended the first one felt that they were able to ask questions and to contribute to our planning by making some suggestions on a variety of areas.

Enrichment Week

Our annual Enrichment Week takes place between the Monday 20th and Friday 24th June. I know details have already been sent out and we are looking forward to another successful week. Through a range of activities, students are able to develop key skills and have experiences linked to our Chew Valley Guarantee. A big thanks to Mr Jones who co-ordinates this for the school.

We begin our half term when school finishes on Friday 27th May and I hope everyone has a good time, whatever they may be doing.

With best wishes

Gareth Beynon
Headteacher
