15th November 2021

Dear Parents and Carers

Thank you for your continued support with our Year 11 students. As a staff body, we have been incredibly impressed with how Year 11 have started this school year. This is evident in the number of achievement points Year 11 accumulated in Term 1. They have earned more achievement points than any other year group during the first term and are truly leading by example. It has been a pleasure for me to work with so many of them after school on Wednesdays during study sessions.

This term, Year 11 will undertake their mock exams. In preparation for this, they are encouraged to use after school study sessions on Wednesdays to produce revision materials in order to give themselves the best chance of success in their mocks. Resources such as flash cards have proven a successful tool for previous year groups.

Next term, we are planning to offer more support on Wednesday after school study sessions. Staff from each of the subjects that comprise the English Baccalaureate have agreed to run two sessions per week to allow students more support in those subject areas. Due to limited places for some of these sessions, sign-up will be required. Information on how to sign-up will be sent in due course.

Once again, we would like to thank you for your support with our Year 11 students. We hope this term can be even stronger than the last.

Yours sincerely

T MOSS
