

November 2020

Dear Parents/Carers

Year 11 Subject Choices for September 2021 Entry Into Chew Valley School Sixth Form

We hope you had the opportunity to attend our virtual Sixth Form Open Evening on Tuesday 10th November and that the experience proved helpful as part of your young person's decision-making process ahead of the next academic year. We are very proud of what is offered here at Chew Valley and are confident that the event will have given you a strong sense of that. Should you have any further questions, please do contact one of us or any of the Heads of Subject listed in the prospectus as we will all be happy to help.

In order to accommodate as many subject combinations as possible for the next generation of Chew Valley Sixth Formers, we need to do the initial round of options choices. Following on from the Open Evening's taster sessions that have hopefully helped to clarify some decisions, we would ask that you have a conversation with your young person over the coming days about the subjects they wish to pursue in the Sixth Form.

Please use the paper grid on the back of this letter to indicate which courses your young person would like to study and return to school via their Year Group Tutor by Wednesday 25th November. If you have any queries about the process, please do not hesitate to contact one of us or Kate Rowlands, the Deputy Headteacher with responsibility for timetabling.

Once again, we hope the Sixth Form Open Evening proved a valuable and exciting experience.

Yours sincerely

Mrs L Woodgate
Director of Sixth Form Studies

Miss H John
Director of Sixth Form Studies
