Dear Students/Parents/Carers,

November 2019

The forthcoming academic year will be of vital importance as students prepare to take their examinations in May/June 2020.

All public examination students have to comply with regulations for candidates issued by the Joint Council for Qualifications, JCQ. JCQ is the regulatory body for all Examination Boards in the UK.

Every effort has been made to ensure that JCQ regulations are clear and familiar to our students. To assist students, they have been issued with a copy of the documents below which are also available on our website and which we must ensure they read and understand;

- Information for Candidates for Written Examinations
- Information for Candidates for On Screen Tests
- Information for Candidates – Non-examination Assessments
- Information for Candidates - Guidelines for Social Media use
- Information for Candidates – Privacy Notice
- Information for Candidates – Coursework Assessments

Students have also been given a copy of this Examination Booklet which gives them information and reminders pertinent to Chew Valley students which, again, includes the notices listed above. We would also urge Parents and Carers to read the Examination Booklet so everyone is familiar with the content.

Staff will give students support and assistance towards preparing for their final examinations throughout the forthcoming year both in class and via special assemblies. Deadlines for coursework and dates for Controlled Assessments/Non Examination Assessments are set by class teachers and will vary depending upon your son/daughter's subject choices.

It may be of some assistance to parents/carers to have some overview of what to anticipate throughout the forthcoming academic year but please note, **all dates below are provisional:-**

Parents/Carers frequently request information regarding the dates of their son/daughter's final examination. This information is available on the Individual Timetable issued before the Easter holiday. **It is not possible** to advise individual dates prior to this as the Centre has to confirm all Statements of Entry are correct first. As a guide, external exams are scheduled from 11th May until 26th June 2020.

For Public Examinations, students must be present in the exam venue **15 minutes before** the timetabled starting time. This is to ensure all notices are delivered and that students are in the correct location with the correct paper in front of them. Students have to supply their own pens, pencils and mathematical equipment. Please note - students should only use **BLACK** ballpoint pens, in accordance with JCQ regulations. Gel pens are not permitted. Full school uniform must always be worn for 11 and suitable, appropriate clothing for Years 12 and 13 (covering shoulders and midriff). Hoodies and wrist watches are not allowed in Exam Rooms.

You will be able to find information regarding JCQ regulations on the notices to candidates. Please be aware that these are JCQ regulations and all exam candidates **have** to follow them. Every year the school will receive at least one inspection visit. These visits are spot checks which enable the JCQ to confirm that exam regulations are being followed within each registered centre. We would ask that if your son/daughter has any queries or concerns to speak with their tutor, subject teacher, Head of House or the Examinations Officer. We wish them all the very best with their exams!

Introduction to this Booklet

The aim of this booklet is to guide you through the **public examination** period by explaining the procedures and by answering some of the questions you may have.

The information contained in this booklet is vitally important, please read it carefully, and if you are unsure about anything, please pop in and see one of us, or send an email.

Where can I find out more?

Mrs Rowlands & Mrs Whitehead are responsible for the school's examinations. Mrs Whitehead works from an office next to L16 and Mrs Rowlands is based in the office next to Mr Beynon.

WE ARE HERE TO HELP YOU....

What are Public Examinations?

These are exams for which the school has to pay a fee to an external examination board. These boards are independent of the school. They set and mark examination papers, assessments etc. Each exam board awards qualifications such as GCSE, BTEC and GCE AS & A levels, providing a certificate if results have been achieved.

The school currently uses 4 examination boards and you can find out which board is used for all the subjects you take by asking your teacher or the Exams Officer. All the boards have websites full of useful information to help you to prepare for your exams.

The exam boards are:

 aqa.org.uk	 RECOGNISING ACHIEVEMENT ocr.org.uk	 edexcel.org.uk	 wjec.co.uk
---	--	--	---

When do Public Examinations take place?

There are 3 main periods during which exams happen, although controlled assessments, practical assessments and language orals can occur throughout the year and dates are set by each department and communicated to you separately.

November: This period is for English and Maths GCSE re-sits only

January: Cambridge Nationals, some GCSE modules and A Level Business.

Summer: The main exam period for all subjects

Exams occur during normal term time, and it is essential that you do not arrange holidays during scheduled school dates. **In the summer, all exams are finished by 25th June 2020 and Year 11 & Year 13 students need to ensure they are available right until this date.**

Personal Information

Chew Valley School has a unique Centre Number: **50741**

Each student will have their own Exam Number, issued by the Exams Officer. This number will appear on all official statements (entry summary, exam timetable, certificates etc.). Legal names appear on certificates and not preferred names.

The entries (Higher/Foundation for Maths, Science and Languages) for all your exams are usually decided by your teacher. A thorough checking procedure is in place to ensure that the entries are correct which includes **checking by the candidate**. When you receive statements of entries check them to make sure all the information is correct. If you are in **ANY DOUBT**, please see your teacher or the Exams Officer. Once the timetables have been organised, they will appear on the **INSIGHT PORTAL**. All students can see their timetables via the Portal.

What to wear?

Year 11 students need to wear normal school uniform at all times. Students will not be admitted to the examination room if they do not follow this request. Hoodies are not to be worn.

Students in the 6th Form should dress in an appropriate manner. Hoodies are not allowed in the Exam Room.

The day before each Exam....

Make sure you check your timetable via the **INSIGHT PORTAL** just before your exams. Late changes to venues may have occurred. It is your responsibility to arrive promptly and to ensure transport arrangements are in place for both journeys. **This is especially important for afternoon exams which frequently finish after the school buses have gone – students cannot be released early from the exam room to get the bus home.**

Ensure you know which room your exam takes place in and where that room is in the school. If in any doubt, ask a teacher or come to the Exams Office.

Prepare your school bag with all necessary equipment needed.

On the Day of the Exam....

<u>For morning exams</u> You need to be at your venue by:	15mins before
<u>For afternoon exams</u> You need to be at your venue by:	15mins before

You will be registered in the exam venue. Do not go to a tutor base.

Once you are inside the exam venue you are under Exam conditions and the supervision of the Exam Invigilators. You **MUST FOLLOW ALL THEIR INSTRUCTIONS**, be silent and listen carefully to them. If you have any queries, do not disturb another candidate but raise your hand to alert the invigilators.

In the event of an emergency and FIRE EVACUATION, follow the instructions of the invigilators.

DO NOT take any exam materials (papers, books etc.) with you
DO NOT talk – if you are observed talking, your exam may be void
DO NOT remove bags. Leave all belongings behind
DO NOT go to your normal evacuation point – you will be directed to the exam evacuation point (outside Lake View House). **YOU MUST REMAIN SILENT**

Who is responsible for knowing when and where the exams are?

You are. Your personalised timetables will be on the **INSIGHT PORTAL** and you will be told when it is available. You need to check your timetable thoroughly. Speak to your teachers or to the exams team if you need anything explained. It makes sense to add dates, times & venues to your iPad/mobile phone. Do not follow your friends as they may be in a different room!

What are the Exam Rules and what happens if they are broken?

The rules for the conduct of public exams are clear and non-negotiable. They are spelled out in detail by JCQ, the body that acts on behalf of all exam boards. These rules are attached to the back of this booklet. Copies are also available on the school website.

PLEASE READ THIS DOCUMENT AND STICK TO ITS RULES !

Important Reminder of Basic Rules

	YOU MUST BE SILENT from the moment you enter your exam venue until the moment you are well outside. No excuses!	
	DO NOT ATTEMPT TO COMMUNICATE WITH OTHER STUDENTS. This includes talking, hand movements, eye contact etc. <u>Face forward at all times</u> and put your hand up if you require any help or have a query.	
	BRING ALL NECESSARY EQUIPMENT WITH YOU IN A CLEAR BAG/PENCIL CASE. Calculators (if permitted) should be without lids or any written instructions with the calculator memory cleared	
	WATER ONLY IN A CLEAR PLASTIC BOTTLE- NO SPORTS TYPE BOTTLES.	
	Mobile phones, alarms, MP3 players, smart devices and watches, tippex and correction/gel pens are FORBIDDEN. You will be asked to remove your watch and hand to an Invigilator if you forget to leave it outside. Any device found to be on a student will be confiscated and the exam board informed. This often leads to your paper being cancelled and no grade being awarded! Leave all Phones in your bags.	
	Pens need to be BLACK INK only. You must only write in the designated areas. You are responsible for making sure your answers are legible and your handwriting is clear.	

The full list of rules are in the JCQ document.

The exam boards have the power to **DISQUALIFY YOU FROM ALL EXAMS** if you break any of their rules.

The rules will be governed by **INVIGILATORS** – members of staff appointed by the Headteacher, Mr Beynon, to conduct exams safely and fairly.

You must follow their instructions at all times.

Timetables

When will I get my timetable?

For the main summer exam season, paper copies will be available around the Easter holidays so that your preparations can be well planned. Although you can check in the exams area of the portal too.

When will Language Speaking tests and Art exams take place?

Language speaking tests will be arranged through your teacher and are generally in April/May. Similarly, Art practical exams will be arranged by your teachers and usually held in April/May.

Lateness, Illness and Injuries

What happens if I am late?

DO NOT BE LATE– if anything, aim to be early!

If you are only a few minutes late, go straight to the exam venue and do not report to Reception. If you are more than 10 minutes late, report to Reception and ask them to contact the Exams Officer. In special circumstances, it may be possible for you to take the exam, **but this is not automatic**. “Oversleeping” is unlikely to be accepted unless the exam board can be satisfied that the integrity of the exam has not been compromised.

What if I am ill or injured?

Accidents and illness do happen, but if at all possible, you need to turn up to your venue and on time. We can apply for special consideration if you take your exam under these circumstances, but will need written verification (usually a Doctor’s/Hospital note), which you will need to give to the Exams Officer immediately.

If you cannot get in for the exam at all, you need to ring the school immediately this becomes apparent on 01275 334225 (direct line to the Exams Office) **and** email the Exams Officer to tell them the circumstances (email addresses are on page 2). Do not expect the absence line to pass on messages about absence from exams due to illness/injury as these will not reach us in time for the start of morning exams.

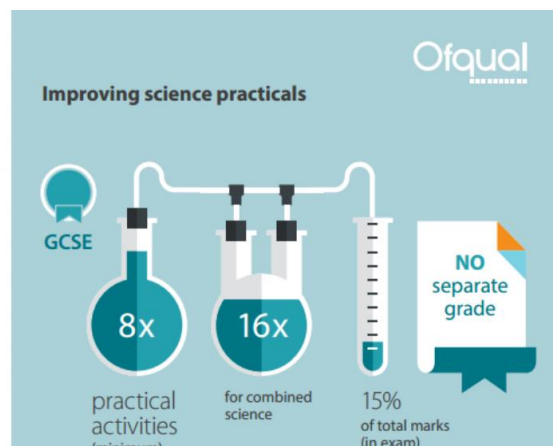

Do I need to pay for my exams?

Not if you have **missed an exam without good reason**. However, Exam entries cost the school a lot of money so you may be charged if you fail to attend.

Practical Science Assessment

GCSE:

- Students do at least 8 practical activities (16 for combined science) covering specific techniques
- Written questions about practical work will make up at least 15% of the total marks for the qualification
- There will be no separate grade for practical skills
- Students studying combined science will receive one of 17 grades from 9-9 (highest) to 1-1 (lowest)

AS & A Level Reforms

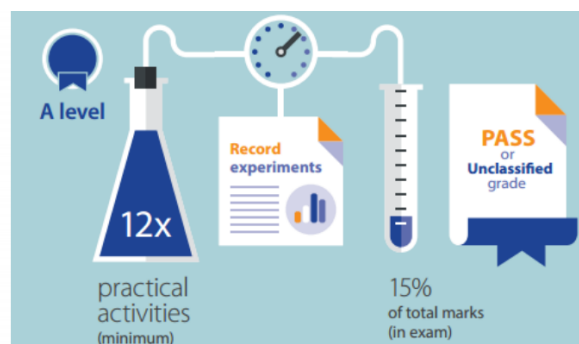

From 2015 onwards, A Levels have been changing gradually. In the past 1 x AS level + 1 x A2 Level = A Level. New AS Levels no longer contribute to an A Level award and are now a stand-alone qualification.

Therefore, most students at Chew Valley School will be studying A Levels over a 2 year course rather than AS and A2.

Mock exams for Year 12 & 13 will take place in early January 2020 and for Year 13 again around March/April time.

A Level Science changes:

- More practicals – at least 12 in each science subject
- Written questions about practical work will make up at least 15% of the total marks for the qualification
- Students will need to record their experiments as they do them
- Students' competence in practicals will be reported separately (**pass/unclassified**)
- Practical 'pass' for A level science likely to be required by universities – **check admissions information**

Results and Results Day

Results of external exams will be available via the **INSIGHT PORTAL** from 9am on the published results dates. Results can be printed from the Insight Portal at home if convenient. There is no need to come into school to collect results unless students have a question or query concerning their grades, or need information and advice.

However, please remember that your Insight portal access will cease on 31st August 2020 if you are not returning to school in September.

Exam Season (201-2020)	Results Date	Time & Location
November 2019	Thursday 16 th January 2020	10am via Exams Office
Summer 2020 (A Level)	Thursday 13 th August 2020	9am School Library
Summer 2020 (GCSE)	Thursday 22 nd August 2020	9am School Hall

Results **MUST** be collected by the student in person. If students are unable to collect their results on the dates/times above, they may leave a Stamped Addressed Envelope with the Exams Officer and results will be posted home. Alternatively, students may provide a written note giving permission for a 3rd party to collect their results on their behalf. **SAEs and written permission slips must be left with the Exams Office before the end of the Summer Term.** Please note results are not available for collection outside the times/dates listed above but will be available via the Insight Portal.

Certificates

Certificates confirming your results are vitally important documents and should be carefully stored as they will almost definitely be needed at a later date. You can collect them either at your GCSE or A Level Certificate Presentation Event (we will write to invite you to this later in the year) or in person from Reception shortly after the Presentation Events.

If you are unable to collect certificates yourself, you may arrange for a friend or family member to collect these on your behalf but we must have a written note of consent from you and the person collecting must bring photo ID. We are unable to post certificates and any uncollected certificates will be destroyed after one year, in line with regulations.

Please remember that your Insight portal access will cease on 31st August 2020 if you are not returning to school in September.

Lost Certificates

If you lose your certificate you would need to apply directly to the exam board concerned for a statement of results – contact details for the exam boards are on the school website. This can cost in excess of £50 per certificate, so please keep them safe! The school does not keep copies of any examination certifications. Legal names appear on certificates and not preferred names.

Post Results Services

It is possible that some of your results could be disappointing. In some cases, this is likely to be a reflection of the work you have done in your preparation. However, if any of your results are significantly below your expectations, there are a number of options you may wish to pursue. These options need to be thought about carefully and discussed with subject teachers, parents/carers and the Exams Officer before you embark on them.

Enquiries about Results (EARS)

The following services are available:

GCE

PRIORITY Review of Marking (where a University Place is dependant)	Approx. £65 per paper. (ie Maths – 3 Papers @ £65 x 3 = £195)	DEADLINE – 10am 17th August 2020
Review of Marking – can take 20 days	Approx. £59 per paper (ie Maths – 3 papers @ £59 x 3 = £177)	DEADLINE – 10am 14 th September 2020

GCSE

Review of Marking – can take 20 days	Approx. £57 per paper (ie Maths – 3 papers @ £57 x 3 = £171)	DEADLINE – 10am 14 th September 2019
--------------------------------------	---	--

Access to Scripts (ATS)

You can request a copy of your script/exam paper. Prices range from £10 - £20 per paper. Please speak to the Exams Officer to find out all of the options. This can take up to 2 months so is not an option for checking if you need a paper reviewed.

These deadlines represent **THE VERY LATEST** date for completing EARS. Remember you need to check what to do with subject staff, see the Exams Officer to check for availability of the service you require and the correct fee. Information with forms/fees/deadlines are published on the school website. **YOU SHOULD ORGANISE ANY ENQUIRY EARLY TO AVOID MISSING THESE DEADLINES WHICH ARE FIXED BY THE EXAM BOARDS.**

In all cases, you will be asked to sign an acknowledgement that your results may remain unchanged or could go up **or down**. Grades that go up will have their fee refunded. Please note that Coursework or NEA's cannot be re-marked.

Re-sits

Only GCSE English & Maths can be re-sat in the November series. Details will be published every September. Please speak to subject teachers or the Exams Officer.

All other resits will occur in the Summer series only – details will be published during the academic year.

And Finally.....

Exams can be a worrying time, but if you revise effectively, prepare properly and make sure you organise yourself (pens, calculator, clear pencil case, checking your timetable etc.) then you can reduce stresses during the exam season to a minimum.

Please speak to your subject teacher or to the Exams Office staff if you are unclear about any of the procedures involved in your exams.

Patience, persistence and
perspiration make an
unbeatable combination.

Information for candidates: non-examination assessments**

This document tells you about some things that you must and must not do when you are completing your work.

When you submit your work for marking, the awarding body will normally require you to sign an authentication statement confirming that you have read and followed these regulations.

If there is anything that you do not understand, you **must** ask your teacher.

Preparing your work – good practice

If you receive help and guidance from someone other than your teacher, you **must** tell your teacher who will then record the nature of the assistance given to you.

If you worked as part of a group on an assignment, for example undertaking field research, you must each write up your own account of the assignment. Even if the data you have is the same, you **must** describe in your own words how that data was obtained and **you must independently draw your own conclusions from the data.**

You must meet the deadlines that your teacher gives you. Remember - your teachers are there to guide you. Although they cannot give you direct assistance, they can help you to sort out any problems before it is too late.

Take care of your work and keep it safe. Do not leave it lying around where your classmates can find it. You must always keep your work secure and confidential whilst you are preparing it; do not share it with your classmates. If it is stored on the computer network, keep your password secure. Collect all copies from the printer and destroy those you do not need.

Do not be tempted to use pre-prepared on-line solutions — this is cheating. Electronic tools used by awarding bodies can detect this sort of copying.

You must not write inappropriate, offensive or obscene material.

Research and using references

In some subjects you will have an opportunity to do some independent research into a topic. The research you do may involve looking for information in published sources such as textbooks, encyclopedias, journals, TV, radio and on the internet.

Using information from published sources (including the internet) as the basis for your assignment is a good way to demonstrate your knowledge and understanding of a subject. You must take care how you use this material though - you cannot copy it and claim it as your own work.

The regulations state that:

**the work which you submit for assessment must be your own;
you must not copy from someone else or allow another candidate to copy from you.**

When producing a piece of work, if you use the same wording as a published source you must place quotation marks around the passage and state where it came from. This is called "referencing".

You must make sure that you give detailed references for everything in your work which is not in your own words. A reference from a printed book or journal should show the name of the author, the year of publication and the page number, for example: Morrison, 2000, pg.29.

For material taken from the internet, your reference should show the date when the material was downloaded and must show the precise web page, not the search engine used to locate it. This can be copied from the address line. For example: <http://www.geocases2.co.uk/rural1.htm> downloaded 5 February 2020.

You may be required to include a bibliography at the end of your piece of written work. Your teacher will tell you whether a bibliography is necessary. Where required, your bibliography must list the full details of publications you have used in your research, even where these are not directly referred to, for example: Curran, J. *Mass Media and Society* (Hodder Arnold, 2005).

If you copy the words or ideas of others and do not show your sources in references and a bibliography, this will be considered as cheating.

Plagiarism

Plagiarism involves taking someone else's words, thoughts or ideas and trying to pass them off as your own. **It is a form of cheating which is taken very seriously.**

Do not think you will not be caught; there are many ways to detect plagiarism.

- Markers can spot changes in the style of writing and use of language.
- Markers are highly experienced subject specialists who are very familiar with work on the topic concerned — they may have read or seen the source you are using, or even marked the work you have copied from!
- Internet search engines and specialised computer software can be used to match phrases or pieces of text with original sources and to detect changes in the grammar and style of writing or punctuation.

Penalties for breaking the regulations

If your work is submitted and it is discovered that you have broken the regulations, one of the following penalties will be applied:

- the piece of work will be awarded zero marks;
- you will be disqualified from that component for the examination series in question;
- you will be disqualified from the whole subject for that examination series;
- you will be disqualified from all subjects and barred from entering again for a period of time.

The awarding body will decide which penalty is appropriate.

Information for candidates Using social media and examinations/assessments

**This document has been written to help you
stay within examination regulations.
Please read it carefully.**

We all like to share our experiences when taking examinations. However, it is important to consider what you say and to think about what information is being shared.

Sharing ideas with others online could be helpful when you're studying or revising.

However, there are limits to the amount of information you can share and you need to be careful not to break the rules. We'd like to ask you to act responsibly when discussing online. If you're in doubt about what you can and can't discuss online regarding your exams, it's always best to check with your teacher.

If you receive what is or what looks to be assessment related information through social media, or any other means, you must tell your teacher or another member of staff. You must show them what you have received (if available). They will then report the matter to the awarding body and it will be investigated.

Where candidates breach the rules for examinations, controlled assessments, coursework or non-examination assessments, awarding bodies have an obligation to investigate and may apply penalties.

- allowing others to help produce your work or helping others with theirs;
- being in possession of confidential assessment related information in advance of the examination;
- exchanging, obtaining, receiving (even if not requested) or passing on assessment related information by any means of communication (even if just attempting to);
- failing to report to your centre assessment related information being shared online; or
- passing on rumours of exam content.

Penalties that awarding bodies apply include:

- a written warning;
- the loss of marks for a section, component or unit;
- disqualification from a unit, all units or qualifications; or
- a ban from taking assessments or exams for a set period of time.
