

Dear Parents and Carers

Following the Government announcement, we are delighted to be planning to re-open our stores from Monday June 15th. We have been spending the last couple of weeks ensuring that our store is ready to operate safely and in preparation for Back to School 2020/21.

For your information, we are implementing the following safety measures in line with government guidelines to ensure our staff and customer safety:

- Observing social distancing rules of 2 metres at all times – there will be a clearly marked one way system in our shops
- Sneeze guard screens at till points
- Regular cleaning of all touch points throughout the day
- We will encourage contactless card payment wherever possible – new £45 limit – no limit for apple pay, google pay or Samsung pay.
- Wherever possible we will be limiting the number of people visiting the store to one adult per household.
- We will be limiting the number of customers in store to allow for distancing so we recommend trying to shop early for Back to School– the last 2-3 weeks of the holidays and Saturdays are very busy.
- We are extending our returns period to for a full refund with receipt (currently 14 days) to 28 days and to the end of the summer (September 14th 2020) for exchanges. (Personalised goods cannot be returned so please be sure of sizing before ordering – detailed size specifications available)
- Postage will be at a flat rate of £3.95 and click and collect from our stores will be free of charge.

We thank you in advance for your compliance with these measures and we look forward to welcoming you soon.
