Hey,

We're the advocates from Shoutout! Advocacy at Off the Record, and we help young people in BaNES get their voices heard 😊

**We are here to listen to you, support you and get your views heard.**

**Do you want someone to be by your side and work only for you?**

**Meetings can be overwhelming. Advocacy can help you understand how you can be involved.**

*Independent advice on...*

- College/post-16
- Getting a job
- Living independently
- Learning new skills
- Social activities
- Your health

Shoutout! is a free service and is led by you. You choose if, how and when you work with us.
