Conflicts of Interest Policy

Summer 2021

Policy approved by	
	Phil Heath, Chair of Governors
Date of approval	04 May 2021

Introduction

Chew Valley School manages conflicts of interest in accordance with the JCQ **General Regulations for Approved Centres** (section 5.3). Roles and responsibilities for normal delivery arrangements are detailed in Chew Valley School Exams Policy 2020-21, to ensure that awarding bodies are informed (where required) of any relevant conflict declared by members of centre staff and records are maintained that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected before the published deadline for entries.

Our general centre policies regarding malpractice, maladministration and conflicts of interest have been reviewed to ensure they address the specific challenges of delivery in Summer 2021.

Purpose of the policy

This policy addresses how we are managing any potential conflicts of interest under the specific arrangements for delivery in Summer 2021.

General principles

A process is in place to collect any declaration of personal interest from all staff involved in the arrangements for Summer 2021 and to manage any potential conflicts of interest.

Declaration process

- A *Declaration of Personal Interest form* for Summer 2021 has been sent by Louise Whitehead, Exams Officer by email, to all centre staff involved in the process
- Staff will be required to
 - confirm their understanding of what a personal interest in a candidate relates to
 - (where applicable) declare no personal interest in any candidate
 - (where applicable) declare a personal interest in a candidate and identify their role(s) in the arrangements
 - confirm awareness of the need to maintain the confidentiality of the grades and endorsements determined by the centre
 - return the completed declaration to Louise Whitehead by Friday 28th April 2021

Managing conflicts of interest

- A *Conflicts of Interest log* for Summer 2021 will be maintained by Louise Whitehead, Exams Officer to record any potential conflicts of interest declared by centre staff
- The log will record the nature of potential conflict and a decision by Gareth Beynon, Head Teacher, if this is deemed a potential risk to the integrity of the centre's assessments
- (where applicable) The log will record appropriate additional controls put in place to mitigate any potential risk to the integrity of the centre's assessments and to ensure fairness in later process reviews and appeals, carefully considering the need if to separate duties and personnel]

Individual awarding body instruction/guidance will be followed if there is any change (for summer 2021) to their normal procedures for informing of conflicts of interest.
