We are always in the mood for good food!

We are Aspens Services, a market leading contract catering company and we specialise in food for schools and colleges.

We only work in the education sector so we know what our customers want. Mixing this knowledge with an understanding of what's hot in the food world sparks creativity and excitement in our chefs. Our kitchens provide delicious home cooked food each day and cater for individual dietary requirements.

We don't just provide food, we play our part to educate children and raise awareness about nutrition, food and where it comes from, so that they can make informed and mindful choices. Feeding our future. Please see more at www.aspens-services.co.uk
