Post-16 & Next Steps Open Evening

Thinking about what comes next after school can bring lots of questions. Fosse Way School's Post-16 & Next Steps Open Evening is a great opportunity for young people and their families to explore the options available and start thinking positively about the future.

The evening will give you the chance to discover **Fosse Way School's Post-16 provision**, look around the Post-16 building and meet the team. You'll also hear about the wider opportunities available beyond Post-16, including **college, supported internships, day services and employment.**

The event will include information about the local offer and a presentation from Finding Futures about the local supported internship programme.

Tuesday 1 December
3:30pm–4:45pm
Post-16 building, Fosse Way School

Whether you are already considering Post-16 options or are just beginning to think about the future, this is a valuable opportunity to ask questions, explore the possibilities and find out what could be the right next step.

Come along, meet the team and start exploring what the future could look like.
