All Year Groups Welcome

Dear Parents/Carers and Students

We warmly welcome you to our Careers Convention, offering over 40 exhibitors from a wide range of Companies (both national and local), Higher Education organisations, Universities, Apprenticeship providers and Chew Valley School alumni and parents/carers.

The Convention takes place from 6-8pm on Tuesday 23rd October and gives information about Post-16 pathways from a variety of representatives tailored to suit students across all our year groups. Parents/carers and students can drop in at any stage during the evening.

Students and parents/carers will be given a programme when they arrive showing the delegates that are attending the event and where to find them, which will also be available from the website in advance. In the meantime please find overleaf information about some of the careers and institutions that will be represented.

We look forward to seeing you on Tuesday 23rd October.

Yours sincerely
