

CHEW VALLEY SCHOOL

A Foundation School serving the whole community

Chew Magna, Bristol. BS40 8QB
Headteacher: Mr M Mallett, LLB, MA

22 April 2014

Dear Parents

Internet Safety – Parents’ Information Evening 6th May 2014: 7 – 9pm

I am writing to invite you to this information evening which will provide information, advice and guidance about the crucial subject of internet safety for young people.

This is a follow-up event to last year’s Well-being evening which was very well received. During one of a number of sessions offered on that evening, James Webber (Head of IT) and Chris Hildrew (Deputy Head) gave a brief introduction to the issue of well-being on line. Many parents commented how useful this had been but expressed a strong desire to delve more deeply into the topic.

We have secured the services of Alan Earl who is an expert in this area. Alan is a police officer who has been seconded to the South West Grid For Learning which is the school’s access point for internet services and safety. His knowledge and experience is absolutely at the leading edge as regards young people’s safety on line. He is an experienced speaker and presenter and we are extremely fortunate to have been able to book him for this event.

I anticipate that there will be significant competition for places which have to be limited because of accommodation. If you would like to book seats for the event, please complete the tear-off slip below. Alan is speaking specifically to an adult audience and so I would particularly request that children and young people are not included in your booking.

Yours sincerely,

Mark Mallett
Headteacher

Internet Safety – Parents’ Information Evening 6th May 2014: 7 – 9pm

- Yes I would like to attend the Information Evening
- I would like to book _____ seat(s) for the event.

Name: _____

Son/Daughter’s Name _____ Form _____

Please return this slip to Julie Seeley, Head’s PA
