Dear Parents/Carers

August 2018

Information for the start of the new academic year

As we prepare for the start of a fresh school year, it is important to outline how the first week is structured to facilitate as smooth a start as possible for all of our students. For those joining us in Year 12 who may still have some timetable issues to fix, our traditional clinic will take place on Monday 3rd September at 3pm in the Library. This will allow for important conversations about course requirements and suitability to be held ahead of the timetable commencing on the Wednesday, ensuring that no lesson time is missed later in the week.

In addition, Tuesday 4th September is then provided for any further meetings that may be necessary for students in either Year 12 or Year 13 around curriculum and progression. Those concerned will be contacted separately in advance of these dates.

With the vertical tutor groups launching for Years 7 to 11 on the Tuesday, **Sixth Form lessons will commence at the start of the day on Wednesday** and we look forward to making a positive start to the new academic year with our students.

Yours sincerely

Gareth Beynon
Headteacher
