November 2018

Year 11 Subject Choices for September 2019 entry into Chew Valley School Sixth Form.

Dear parent/carer,

I hope you had the opportunity to attend our Sixth Form Open Evening on Thursday 15th November and that the experience proved helpful as part of your child's decision making process ahead of next academic year. We are very proud of what is offered here at Chew Valley and I am confident that the event will have given you a strong sense of that. Should you have any further questions, please do contact me or any of the Heads of Subject listed in the prospectus as we will all be happy to help.

In order to accommodate as many subject combinations as possible for the next generation of Chew Valley Sixth Formers, we need to do the initial round of options choices. Following on from the Open Evening's taster sessions that have hopefully helped to clarify some decisions, we would ask that you have a conversation with your child over the coming days about the subjects they wish to pursue in the Sixth Form. Your child has received an email link to our online options document which they can then use to make their selections. They simply need to login with their school email address and password.

In the event that this poses any problems, please use the paper grid on the back of this letter and return to school via your child's tutor. If you have any queries about the process, please do not hesitate to contact me or Kate Rowlands, the deputy head teacher with responsibility for timetabling.

Once again, I hope the Sixth Form Open Evening proved a valuable and exciting experience.

Yours sincerely,

Gareth James
Head of Sixth Form
